

CURRICULUM VITAE

FRANCO FINELLI

1. **Family name** Finelli

2. **First name** Franco

3. **Date of birth**

4. **Nationality**

5. **Civil status**

6. **Education**

Institution	Date	Diploma
University of Bologna	10/11/1983	Degree in Agricultural Sciences

7. **Language skills**

Language	Reading	Speaking	Writing
Italian	Mother tongue		
English	4	4	4
Spanish	3	2	-

8. **Membership of professional bodies**

Professional Order of Dottori Agronomi e Forestali in Bologna from 18/02/1992 to 31/12/2014
National Register of the phytosanitary inspectors (D.M. 4.09.1997)

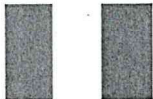

9. **Other skills**

Computer literacy Regular use of Microsoft Office 2007 Software (got the European Computer Driving License) and more recent versions
Basic knowledge of ArcView 3.0 and regular use of a regional specific GIS system (FitoMap)
Use of Intranet and Internet
TRACESNT

Other Capacity of working in team.
Good organizing ability and management of specific projects.
Ability in extension of phytosanitary information to "clients"
Organising and keeping lectures in training courses for phytosanitary inspectors.

10. **Present position**

Phytosanitary Inspector operating in the Plant Protection Service of Emilia-Romagna Region.

CURRICULUM VITAE

FRANCO FINELLI

Unit manager “Planning of the phytosanitary inspections related to the international trade”.
Regional representative in the national working group on the electronic development of the phytosanitary tools (now not operating).

Italian representative in the EPPO Panel on Phytosanitary measures from January 1999 to March 2018.

Italian representative in the EC Working Group on the revision of the Annexes of the Directive 2000/29/EC (AWG) from 2003 to 2009 and again from 2010 up to February 2017.

Co-ordinator of the Italian working group for the PRA and correlated data (now not operating).

11. Years within the organization

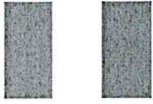

33 in plant protection, 29 years in Emilia-Romagna PPS.

12. Key qualifications

- Good knowledge of the new plant health regime (reg. (EU) 2016/2031 and 2017/625 and the relevant implementing and delegated Acts) g
- Excellent knowledge of the previous regime (dir. 2000/29/EC) gained participating to national and EC working groups (fireblight measures, review of directive annexes), a FVO mission as expert (Germany for potato sector), Karolus Program (PHSI in England).
- Good knowledge of the phytosanitary international framework and affairs (participation to EPPO panels and workshops, direct contacts with many colleagues working in other NPPOs).
- Long experience in the practical implementation of the phytosanitary measures, started in 1993 with the EC Single Market Plant Health Regime,
- Good background in quarantine pest management.
- Participation in Twinning Projects with countries accessing to EU (Malta, Slovenia, Poland, Serbia, Turkey, Macedonia, Bosnia Herzegovina).
- Lectures in Bologna University courses about plant quarantine.

13. Specific countries experience

Country	Date	Description
Spain	November 1993	EPPO workshop for Phytosanitary Inspectors
England	From 16/06/1996 to 14/07/1996	Karolus program in PHSI - England
Morocco	11-13/12/2002	Presentation at EPPO Workshop for Phytosanitary Inspectors
Hungary	7-9/10/2003	Presentation at EPPO Conference on fireblight
Malta	From 21/06/2004 to 3/07/2004	Twinning Program Italy/Malta “Capacity building at the Plant Health department”

CURRICULUM VITAE

FRANCO FINELLI

Poland	17-19/11/2004	Presentation at EPPO Workshop for Phytosanitary Inspectors
Canada	28/02-4/03/2005	Participation to the FAO Workshop on the implementation of ISPM 15.
Slovenia	16-18/11/2005	EPPO Workshop for Phytosanitary Inspectors
Slovenia	12-16/12/2005 27-31/03/2006	Light Twinning project Italy/Slovenia on "Upgrading of Information System within IACS and Phytosanitary and Veterinary Information System"
Poland	15-20/01/2006	Phare Twinning Project "Strengthening Administration responsible for phytosanitary and fertiliser issues"
Bulgaria	14-16/11/2007	2 presentations in EPPO Workshop for Phytosanitary Inspectors
Serbia	From 08/05/2008 to 07/05/2011	Project Leader of the EU CARDS Twinning Project "Institutional capacity building within the Phytosanitary Directorate of the Ministry of Agriculture, Forestry and Water Management"
Cyprus	11-14/11/2008	EPPO Training workshop on PRA
Montenegro	19-20/01/2009	Presentation in TAIEX Workshop on phytosanitary data base and training for phytosanitary inspectors, administration and laboratory staff AGR 31249
Macedonia	19-20/10/2009	Presentation in TAIEX Workshop on Implementation of Annex V respectively introduction of the Plant Passports - Register of Operators) AGR 33564
Lithuania	10-12/11/2009	2 presentations in EPPO Workshop for Phytosanitary Inspectors
Albania	26/03/2010	2 presentations in TAIEX Workshop on training of

CURRICULUM VITAE

FRANCO FINELLI

Turkey	7/10/2010	phytosanitary inspectors in the establishing procedures for issuing of such plant passports; conditions and procedures for their replacement AGR 34824 Expert mission on Measures and Notification of Interception of Harmful Organisms on Plant and Plants Product in the EU AGR IND/EXP 42009
Turkey	7-10/02/2011	Twinning Project TR 2007 IB AG 02 = Plant passport system and registration of operators”
Paris	5-9/09/2011	Participation to EPPO EWG for PRA on <i>Pseudomonas syringae</i> pv. <i>actinidiae</i>
Italy	16-18/11/2011	EPPO Workshop for Phytosanitary Inspector on Q-Detect project
Lebanon	11-15/12/2011	Beirut and other areas for EULEBPOT project regarding technical assistance to get the EU authorisation to export ware potatoes
Antalya, Turkey	20-22/11/2012	Presentation in EPPO/NEPPO Workshop “Toward a harmonized implementation of ISPMs N° 7 Phytosanitary Certification System and N° 12 Phytosanitary Certificates
Belgrade	27-30/03/2013	Presentations in TAIEX Workshop on Developing a Permanent Training System for Phytosanitary Inspectors (AGR50899)
Lebanon	7-14/04/2013	Beirut and other areas for EULEBPOT project regarding technical assistance to get the EU authorisation to export ware potatoes
